

Home Helpers extends services to Salisbury and central North Carolina

Kathleen and Glenn Holden are ready to lend a hand and expand a local agency to meet the in-home care needs of Salisbury residents and those throughout central North Carolina.

The Holdens opened the new Home Helpers branch in December. They are part of the nation's leading franchise specializing in non-medical and personal in-home and companion care for seniors, new mothers and individuals needing recuperative and continuing care.

They provide personal and companion services, in-home electronic monitoring, known as Direct Link, transportation, meal preparation, housekeeping, dressing assistance, personal grooming/bathing and medication management.

Home Helpers offers free in-home consultations with their on-staff nurse.

The Holdens' new location is the 11th Home Helpers to open in North Carolina.

The Holdens volunteer at Misty Meadows Mitey Riders, which is a therapeutic horseback riding organization for children with special needs. Glenn has served as a Boy Scout troop leader for 12 years and he provides free consulting to veterans in obtaining medical benefits earned through military service.
